Donald B. Hawthorne

Don Hawthorne is a go-to-market strategy consultant who helps executives develop **crystal-clear and robust go-to-market solutions that successfully navigate diligence scrutiny** in the marketplace (by customers) and in strategic transactions (by investors and corporate partners) – leading to the creation of great, enduring companies.

Don delivers value through a unique combination of (i) a **novel GTM® Road Map** that is curated from global best practices and filtered through a pragmatic operating executive lens. The Road Map rejects conventional wisdom, delivers product-market fit/business-model fit/organizational fit solutions, and has an 87% consulting project success rate – driving superior valuation and operating performance outcomes; and, (ii) **experience holding 11 C-suite positions (CEO-6, COO-2, CFO-3)** that allows him to work alongside executives as a trusted peer-level partner in the joint development of customized go-to-market solutions – ensuring the right products and services are taken to market with greater speed and capital efficiency.

During his 38 years in the life sciences industry, Don has worked in or with 48 companies across 16 industry segments, supported 5 M&A transactions, raised more than \$310 million in debt and equity (private, IPO, secondaries, PIPES) monies, closed 10 business development transactions, and been a leader in 24 go-to-market initiatives – 14 as a consultant. He has performed due diligence for both private equity and venture capital investors as well as served as a partner in an equity fund.

Don earned his MBA from the Stanford Graduate School of Business and his BS in mathematics from Harvey Mudd College.
